

PRE-RECORDED ONE WAY VIDEO INTERVIEW

A short-one way video interview that highlights your pre-professional competencies such as communication style, self-reflection skills and motivation for the profession.

1

Format:

- No interviewer present.
- Answer pre-established interview questions via recorded video
- Responses are recorded and shared with reviewers at a later time.

2

How to Prepare:

- Check your audio and background
- Practice speaking to the camera
- Dress professionally

4

Existing Platforms:

Snap Shot

Format

- Total length = 15-minutes
- 3 one way questions
- 30-seconds to read each question
- Up to 2 minutes to record a response
- Cannot review response nor re-record response
